Bombardier Dash 8-Q400 | Performance and Specifications
This manual provides, in a standardized
format, airport planning data for the Dash–8, Series 400 (Model 402). Because operational procedures are different for each airline and operator, the airport planner must coordinate specific data with the user airline before the design of facilities.

To emphasize their quietness, Bombardier renamed the Dash 8 models as the Q-Series turboprops (Q200, Q300, and Q400). The last Dash 8–100, a –102, was built in 2005. In April 2008, Bombardier announced that production of the classic versions (Series 100, 200, 300) would be ended, leaving the Series 400 as the only Dash 8 still in production.
