A simple image pack of a better looking Valerie. She's always described of being Heavenly beautiful, and yet she's kind of average. This actually makes her fit the way people react to her more accurate. Sure, she purposely cuts her hair to look bad and doesn't wear any makeup, but it's just very off putting for her to get so much praise.

The cylinder head caps the engine block and covers the interior components of an internal combustion engine.

Replacing this essential component requires basic shop tools and one to two hours of labor. Always consult your service manual for detailed instruction, but replacing a cylinder head generally follows these basic steps.
