how do you study for nicet exam (highway inspection) level I, II, & prep for III. Material?

how do you study for nicet exam (highway inspection) level ...

I passed mine the first time up and didn't think it was that tough. I'd say it's more about understanding principles than anything else. For example the test will not ask you the color of a ladder and ask for the weight limitation but it might instead give you the weight of an individual about to use a Class 3 ladder and ask if it's safe for that person to use.
