The International Baccalaureate Diploma Programme (IBDP) is a two-year educational programme primarily aimed at 16-to-19-year-olds in 140 countries around the world. The programme provides an internationally accepted qualification for entry into higher education and is recognized by many universities worldwide.

IB Diploma Programme - Wikipedia

It offers two different options of full-time study: a three-year course offering the award of BSc (Psychology); and a four-year course (with a placement year between years 2 and 3) offering the awards of BSc (Psychology) and a Diploma in Professional Studies or the Diploma in International Studies.

Psychology BSc | Undergraduate study | Loughborough University

The true experiment is often thought of as a laboratory study. However, this is not always the case. A true experiment is defined as an experiment conducted where an effort is made to impose control over all other variables except the one under study. It is often easier to impose this sort of control in [...]
