Sims with low Logic stand a chance to fail making potions, which results in a fun little explosion. There are no negatives other than the "charred" state Sims get when they get a little too close ...

### **Chemistry - The Sims 3 Wiki Guide - IGN**

Sims accumulate points for Logic in several different ways, more so than most skills. The cheapest methods are through Playing Chess or Playing Cards, though in the latter case your sim will need a second person to play. This is handy in case you want two Logic-based sims in the same household; otherwise it can be a little annoying.
