that involves the representation of a language through a system of physically inscribed, mechanically transferred, or digitally represented symbols.

Writing systems are not themselves human languages (with the debatable exception of computer languages); they are means of rendering a language into a form that can be reconstructed by other humans.

There's no one rule for writing a winning essay title, but Max's title is perhaps a little too clever. "Student Teacher" immediately suggests a student who is teaching (something that Max is doing in his narrative), but the true meaning is that Max's student taught him an important lesson. Thus, both Anthony and Max
