Sun Kissed book by Catherine Anderson

The first book by Catherine Anderson that I read was "Star Bright" which takes place some time after "Sun Kissed." When I started "Sun Kissed" I already knew the characters, and Samantha Harrigan was one of my favorites. I'm glad that she got her own book, and such a good one at that. To those of you who are reading Catherine Anderson for the first time, welcome! You've picked a good author with a number of novels both historical and modern.
