Training Manual On Competency Based

The Core Competencies for Public Health Professionals (Core Competencies) represent a set of skills desirable for the broad practice of public health, offering public health organizations a starting point for a variety of workforce development activities, including the creation of competency-based job descriptions. Such job descriptions link work functions to the competencies needed to ...

Competency-Based Job Descriptions - PHF

Many, if not most, jobs are either primarily skills-based or primarily competency-based. Many people perform more competency-based work as their careers mature. High-leverage jobs in an organization tend to be competency-based. A competency framework template can focus on people, on the competencies themselves, or on the departments and ...
