Unlike Project Gutenberg, which gives all books equal billing, books on Amazon Cheap Reads are organized by rating to help the cream rise to the surface. However, five stars aren't necessarily a guarantee of quality; many books only have one or two reviews, and some authors are known to rope in friends and family to leave positive feedback.

Rated 5 out of 5 by heavensday from The best story and mini games First of all, I love Vogat Interactive. I was impressed the most by the storyline. It has the best story of any game I have ever played. I hope I am not spoiling anything by saying the moral of the story is to be careful what you wish for. The mini games are fun to do, so they aren't difficult, but they do require thinking.
