Women And The Priesthood What

The ordination of women to ministerial or priestly office is an increasingly common practice among some major religious groups of the present time. It remains a controversial issue in certain Christian traditions and denominations in which "ordination" (the process by which a person is understood to be consecrated and set apart by God for the administration of various religious rites) was ...

Ordination of women - Wikipedia

Priesthood keys direct women as well as men, and priesthood ordinances and priesthood authority pertain to women as well as men. III. President Joseph F. Smith described the priesthood as "the power of God delegated to man by which man can act in the earth for the salvation of the human family." 2 Other leaders have taught us that the ...
